Nausea

Therapy?

Here I am, motherfucker
Here I am, as I am
As you made me think I amI don't hear you
I don't need you
I don't want you
IDon't wanna feel anymore
(Don't hear you)
Don't wanna feel anymore
(Don't need you)Don't wanna feel anymore
(Don't want you)
Don't wanna feel anymore
(Don't feel you)This is this, this is it
Not my kisses, just my fistI don't hear you
I don't need you
I don't want you
IDon't wanna feel anymore
(Don't hear you)
Don't wanna feel anymore
(Don't need you)Don't wanna feel anymore
(Don't want you)
Don't wanna feel anymore
(Don't feel you)Don't wanna feel anymore
(The sickness is inside you)
Don't wanna feel anymore
(The sickness is inside you)Don't wanna feel anymore
(The sickness is inside you)
Don't wanna feel anymore
(The sickness is inside you)Don't wanna feel anymore
(The sickness is inside you)
Don't wanna feel anymore
(The sickness is inside you)Don't wanna feel anymore
(The sickness is inside you)
Don't wanna feel anymore
(The sickness is inside you)
