The Party Song

Slave

This is a signal
You will hear us but you will never see us
We don't mean businessWe'd like to party with you, yeah
Dancin' is all you've got to do
We'd like to party with you, yeah
Dancin' is all you've got to doWe'd like to party with you, yeah
Dancin' is all you've got to do
We'd like to party with you, yeah
Dancin' is all you've got to doWe wish you all good news
This is not a commercialWe'd like to party with you, yeah
Dancin' is all you've got to do
We'd like to party with you, yeah
Dancin' is all you've got to doWe'd like to party with you, yeah
Dancin' is all you've got to do
We'd like to party with you, yeah
Dancin' is all you've got to do
