Something New

Nikki Yanofsky

You never seen the likes of me baby
When I walk in a room (when I walk in a room)
Nothing you've read in magazines darlin;,
So let me tell you the news (let me tell you the news)
Hey have you heard theres a new sensation
Extra, extra, I'm comin' to you.
I know you want it, you know it's true
The beat is boppin', it's movin you
Your toes are tappin, down in your shoes
I feel you droppin a different groove
Hey let me show you what I want to roll to,
If you kick it old school I can be your something new,
I can be your something new
I gotta treat for ya,
Something to make you smile (make you smile)
It needs a little bit of heat baby,
Let it simmer awhile, (simmer awhile)
Oh have you heard I'm sweeping the nation
Extra extra, I'm talkin to you
I know you want it, you know it's true
The beat is boppin', it's movin you
Your toes are tappin, down in your shoes
I feel you droppin a different groove
Hey let me show you what I want to roll to,
If you kick it old school I can be your something new,
I can be your something new
(skatting)
Extra extra, I'm comin' for you
I know you want it, you know it's true
The beat is boppin', it's movin you
Your toes are tappin, down in your shoes
I feel you droppin a different groove
Hey let me show you what I want to roll to,
Cause I know you're fresh enough to roll to,
We can kick it old school,
I can be your something new
I can be your something new
I can be your something new
I can be your something new
