Shadow On The Sun

The Civilian Project

Once upon a time
I was of the mind
To lay your burden down
Leave you where you stoodYou believed I could
You'd seen it done before
I could read your thoughts
And tell you what you sawAnd never say a word
But now all that is gone
Over with and done
Never to returnAnd I can tell you why
People die alone
I can tell you I'm
A shadow on the sunStaring at the loss
Looking for the cause
And never really sureNothing but a hole
To live without a soul
And nothing to be learnedAnd I can tell you why
People go insane
I can show you how
You could do the sameI can tell you why
The end will never come
I can tell you I'm
A shadow on the sunShapes of every size
Move behind my eyes
Doors inside my head
Bolted from withinEvery drop of flame
Lights a candle in
Memory of the one
Who lived inside my skinI can tell you why
People go insane
I can show you how
You could do the sameI can tell you why
The end will never come
I can tell you I'm
A shadow on the sunShadow on the sun
Shadow on the sun
Shadow on the sun
Shadow on the sunShadow on the sun
Shadow on the sun

Shadow on the sun
Shadow on the sun
Sun, sun
