Expect the unexpected  
Keep it real real boss like but real realistic  
don't get bent and twisted it el twist up ya lipstick  
Break up ya make up can you dig it

Kissy and touchy my furr coats fuzzy  
Touch me poke my pockets there so pudgy  
Out here im the mayor  
Step in my circle I'll weigh you a square  
I stay down like I need a repair or a spare  
Still always adding another layer  
Of faces to my safe in the safest places  
I get casses to keep me breathin  
Receiving the steps I need to be in eden  
Believe in me lets get to leavin.CHORUS [Jackie Rae]
