

# You Are Jesus

## Aaron Gillespie

It doesn't matter who I was, it doesn't matter where I been  
Your grace is all I'm chasing  
It doesn't matter when I wake, it doesn't matter when I sleep  
Your arms are open for me  
I am complete  
'Cause You said I could breathe  
I am made clean  
And to You I will sing  
You are Jesus, You are Jesus  
You are everything I need  
You are holy, I am dirty  
And in You, I am made clean  
You are Jesus  
You gear my brain when it's moving backward  
You hear my voice when I'm screaming  
You felt my pain so long ago  
You paid it all just for me  
I am complete  
'Cause You said I could breathe  
I am made clean  
And to You I will sing  
You are Jesus, You are Jesus  
You are everything I need  
You are holy, I am dirty  
And in You, I am made clean  
You are Jesus  
I am complete  
'Cause You said I could breathe  
I am made clean  
And to You I will sing  
You are Jesus, You are Jesus  
You are everything I need  
You are holy, I am dirty  
In You, I am made clean  
You are Jesus
