(Intro)

Be a man  
Only the strong will survive  
This is a mans world  
Mans world  
No, No  
No ,no no no  
No,No  
Don't don't cry on me  
Be a man  
No,No

(Verse1)

Got The Weight of the world on my shoulders  
pain is taking over  
But be a man and do what they told ya  
Deny feelings just get over

Just get over it  
Just get over it

(Verse2)

Show no sign of weakness  
You don't know how hard it is to keep this  
Bottled inside  
About to explode  
All my life  
I've been told

Just get over it  
Just get over it  
Just get over it  
Just get over it

(Pre Chorus)

we cant let'em see the tears  
No that we got fears

Taught this threw the years  
We cant letâ€™em see the tears  
No that we got fears  
Taught this threw the years

(Chorus)

Boyz donâ€™t cry  
Boyz donâ€™t cry  
Boyz donâ€™t cry  
Boyz donâ€™t cry

I just wanted you to know me  
Man up is what you told me  
So what I struggles  
Better deal with it  
Ainâ€™t nobody got time be a man  
Show no sign of weakness  
You donâ€™t know how hard it is to keep this  
Bottled inside Me  
About to explode  
All my life  
Iâ€™ve been told

(Pre Chorus)

we cant letâ€™em see the tears  
No that we got fears  
Taught this threw the years  
We cant letâ€™em see the tears  
No thatwe got fears  
Taught this threw the years

(Chorus)

Boyz donâ€™t cry  
Boyz donâ€™t cry  
Boyz donâ€™t cry  
Boyz donâ€™t cry

(Bridge)

Built all these walls and  
Now they need to break away  
(need to break away)  
If I bare my soul now  
Tell me  
What will they?  
(Iâ€™ve been)

Been strong for all my life now I need to be brave  
I just donâ€™t know how much more I can take  
Boyz donâ€™t cry

(Pre Chorus)

we cant letâ€™em see the tears  
No that we got fears  
Taught this threw the years  
We cant letâ€™em see the tears  
No that we got fears  
Taught this threw the years

(Chorus)

Boyz donâ€™t cry  
Boyz donâ€™t cry  
Boyz donâ€™t cry
