

# Wanna Be

## Adina Howard

Wanna be  
You just a wanna be  
Know that's a wanna be  
Over here tryna be a thug and shit I'm so tired of all these nigga  
Tryna play like they thugs  
I really can't sow them so love  
I learn how to spot them from a mile away  
And let me tell you how staying at home with your momma don't count  
Borrowing a car to go out it don't count  
Yeah, you got money in your pocket, no doubt  
But I found out you've been fakin' the amount So how, how you get to the club?  
Did you come on dubs?  
And when you got inside did they show you some love?  
(No)  
Up in V.I.P. was you poppin' the bub You ain't come on dubs  
(Yeah, I did)  
And they ain't show you no love  
(Yeah, they did)  
I seen you at the bar you ain't poppin' no bub  
(What?)  
Sippin' on that henni like a wanna be thug ('Cuz you's a)  
Wannabe, wannabe ('Cuz you's a)  
Wannabe, wannabe  
Wannabe, wannabe There really ain't a need  
And no askin' ya  
'Cuz when you pulled up to the club  
You was a passenger Actin' like a champ  
When you a challenger  
And all the shit  
That you been poppin' It just ain't adding up  
(No, no)  
I think you missed your call and  
You really shouldn't be around these players While they ballin'  
While your tryna to come up

You steady fallin'  
You need to find somethin' else to put your all in  
'Cuz it won't be meHow you get to the club?  
Did you come on dubs?  
And when you got inside did they show you some love?
