

# When I Look In Your Eyes

## The Romantics

Hey  
Uh huh  
Well, alright  
How y'all doing? Yes ma'am!  
Lookin' mighty fine  
I've been around the world  
Seen so many pretty girls  
But I still get overwhelmed  
When I look in your eyes  
Been from Maine to Spain  
But everything seems the same  
I only feel a change  
When I look in your eyes  
I know you're upper class  
I know you've got pizzazz  
Every man wanna kiss yo', uh  
And I do, too!  
Sometimes, I'm just a clown  
And everybody puts me down  
I guess I'll come around  
When I look in your eyes

Tell me, what's a man to do  
To get close to you  
I'm just a lonely fool  
When I look in your eyes  
Don't tell me "no" this time  
If you do, it'll blow my mind  
Have you ever seen a grown man cry?  
It's an awful thang  
I guess it's time to say goodbye  
But I've gotta give it one more try  
I'm only satisfied  
When I look in your eyes  
Oh please come home with me  
Oh don't you wanna marry me?  
I'm even gonna rub your feet when they stank  
How can I let you down?  
I guess I'm always gon' be around

I'm simply astounded  
When I look in your eyes
