

Don't Push Me Around

April Wine

(myles goodwyn)

Published by slalom publishing co. - bmiWell you can call me a punk, I like to scrap when I'm drunk

And I'm just likely to cause a scene

I got an old cadillac, I like to sit in the back

And flog the dog between the covers of sex-teenHey man, I said now don't push me around

Hey man, I'm eighteen and I've been aroundI'm gonna buy me some wine, I'm gonna have a good time

And don't you tell me what I shouldn't do

Cause you just don't understand, I'm not a boy, I'm a man

But you don't wanna hear from nothin', now do youHey man, I said now don't push me around

Hey man, I'm eighteen and I've been aroundWell you can tell me I'm right, and you can tell me I'm wrong

But I don't really care what you say

I'm gonna drive into town with the top rolled down

And find me someone who's been feelin' the same way

Been pushed around, I've been taken by clowns

They're makin' millions just for fun, what a bad break

And who's to know if the show was a show

With his picture on the cover of newsweekNow hey man, I said don't push me around

Hey man, I'm eighteen and I've been around

Hey man, I said now don't push me around

Hey man, I'm eighteen and I've been around
