## E-40

All up n ya ear, rockin' like bamboo  
Rockin' like, rockin' like, bamboo Bam bam bamboo Ughhh, the beat is excoriating  
Your libel to find me up at an old school [?]  
Scooting and skating, beating and quaking, waking up the ave  
With a yellow bone the same complexion as a cab  
Money on my agenda ever since I came out the placenta, blowing and puffing on this indicia  
I'm a movie, I'm a cinema, motion picture gold figure. 7 figure nigaa  
Just because I rap, don't think I won't squeeze the trigga'  
Not a barber but I pack an extra clippa'  
Put you in your place  
Send a couple of crash dummy, open up your face  
I'm addicted to this fast money rushing like race  
Fuckin' around with the baking soda not that toothpaste  
I'm a do it till it's doomsday, till the day I'm sentenced  
In the meantime in between time, speak your money into existence  
Speak your money into existence, talking it up  
Man you gone live a long time, that's what's up  
All up n ya ear, rockin' like bamboo  
Rockin' like, rockin' like, bamboo Bam bam bamboo Ugghh  
First off, we the opposite of soft.  
We love to get twisted like fingers crossed  
We stay smoking like bad exhaust  
Raculini, Zucchini, aviation, vegetation  
Broken English, distinguish E40's translation  
Protection my weapon of choice, magical  
Walther ppq m2, tactical  
I like guns with body action. Like moss burns  
So intruders, they'll get what they deserve  
Everybody in my platoon in a tycoon for sure  
Trips to Jamaica, vacation buy up the top floor  
I got ears, I be spitting a minute [?] bitch. Wordsmith got a cold sales pitch  
I can sell paper to a tree, water to the sea, snow to Tahoe, chips to Bellagio  
Fuckin Halle Berry's on my bucket list, I'll stick my tongue in her pussy lips  
All up n ya ear, rockin like bamboo  
Rockin like, rockin like, bamboo Bam bam bamboo Waking' em up, waking' em up  
Waking' em up, waking' em up  
Waking' em up, waking' em up  
All up in their ear like, bamboo  
Bamboo (bamboo) Bamboo (bamboo)

Bamboo (bamboo) Bamboo (bamboo)

Bamboo (bamboo) Bamboo (bamboo)
