Carried Away

Boys Night Out

Their cocaine hearts are about to blow
The palpitation party is bumpin' down the line
It's a hard-lived life housed in highs and lows
A perfect powdered promise with premise undefined
An addicts lie leaves a longing hole
Where pleading leads to bleeding out
Tongue tied to the trembling trope
Of misleading and appealing droughtSomewhere washed out and carried away
Carried away, carrying down
Somewhere washed out and carried away
Carried away, carrying down
Wails weep out of their waifish forms
While the foxes in the henhouse have trouble on the mind
Sighs seep out like a sheepish song
A misleading and appealing drought
Somewhere washed out and carried away
Carried away, carried away, carrying down
Somewhere washed out, no, and carried away
Carried away, carried away, carrying downTo the awesome awfulness of silence
Where their sighs seep out
Their sighs seep out
