Love at First Sight

Twerps

She was young and came from Peru
I was dumb, with not much to do
I notice her spinning in the other room
Small brown eyes, and a pair of Louis VittonsAnd it was you
Love at first sight
For you and I
Love at first sight
For you and I
Love at first sight
For you and I
He turned up, holding her hand
I waited, not to be rude
Strolled over was all my attitude
I couldn't rest until I knew it was
