

# It Would Be So Nice

## Pink Floyd

It would be so nice  
It would be so nice  
It would be so nice  
To meet, sometimeEverybody wakes, and in the morning  
Hot tea and can't stop yawning  
Pass the butter please.  
Have you ever read the daily standard?  
Reading all about the plane that's landed  
Upside down?And no one knows what I did today  
There can be no other way  
But I would just like to sayIt would be so nice  
It would be so nice  
It would be so nice  
To meet sometime  
It would be so nice  
It would be so nice  
It would be so nice  
To meet sometimeEverybody cares about the weather  
And everybody should know better  
What a waste of time  
Everybody lives beneath the ceiling  
Living out a dream that sends them reeling  
To a distant placeBut no one knows what I did today  
There can be no other way  
But I would just like to sayIt would be so nice  
It would be so nice  
It would be so nice  
To meet sometime  
It would be so nice  
It would be so nice  
It would be so nice  
To meet sometime  
It would be so nice  
It would be so nice  
It would be so nice  
To meet sometime
