

# Illegal Business

## Boogie Down Productions

What can we get for 63 cents? Cocaine business controls America  
Ganja business controls America  
KRS-One come to start some hysteria  
Illegal business controls America One afternoon around eleven o'clock  
It was freezin' cold, he was standing on the block  
Sellin' cheeba, nick's and dimes  
Sayin' a rhyme just to pass the time The cops passed by, but he stayed calm  
'Cause the leather trench coat was keepin' him warm  
But this time they walked by real slowly  
He thought to himself, "They look like they know me" They drove away, but he didn't stay  
He jumped in the cab and he paid his tab  
But guess who he saw when he hit the block  
It was the same cop car, the same two cops They jumped out quick, they pulled a gun  
They said, "Don't try to fight and don't try to run  
Cooperate and we will be your friend  
Non-cooperation will be your end" He jumped in the car and while they rode  
They ran down the list of things he owed  
They said, "You owe us some money  
You owe us some product  
'Cause you could be right in the river tied up" He thought for a second and he said, "What is this?  
You want me to pay you to stay in business?"  
They said, "That's right, or you go to prison  
'Cause nobody out there is really gonna listen to a hood"  
So he said, "Good, I'll pay you off for the whole neighborhood"  
Because Cocaine business controls America  
Ganja business controls America  
KRS-One come to start some hysteria  
Illegal business controls America What can we get for 63 cents? A guy named Jack is sellin' crack  
The community, doesn't want him back  
He sells at work, he sells in schools  
He's not stupid, the cops are the fools 'Cause everyone else seems to go to jail  
But when it comes to Jack, the cops just fail  
They can't arrest him, they cannot stop him  
'Cause even in jail the bail unlocks him So here is the deal and here is the facts  
If you ever wonder why they can't stop crack  
The police department is like a crew  
It does whatever they want to do In society you have illegal and legal  
We need both to make things equal  
So legal is tobacco, illegal is speed

Legal is aspirin, illegal is weed  
Crack is illegal 'cause they cannot stop ya  
But cocaine is legal if it's owned by a doctor Everything you do in private is illegal  
Everything's legal if the government can see you  
Don't get me wrong, America is great place to live  
But listen to the knowledge I give Cocaine business controls America  
Ganja business controls America
