Out Of Love

Rhett Miller

There is a real possibility
That there's really something wrong with me
In all likelihood I'm up to no good
There is a strong suggestion
Baby without a question
In all likelihood I am up to no goodI'm only home away from home
I'm only all there when I am gone
I only miss you when I'm with you
I'm only happy when I'm singing a sad, sad songWell you can keep my fortune
Throw it into the ocean
No matter what you say, I'm drifting away
Hold on to my memory
You can't hold on to me
No matter what you say, I am drifting awayI'm only home away from home
I'm only all there when I am gone
I only miss you when I'm with you
I'm only happy when I'm singing a sad, sad songThere is a real possibility
That there's really something wrong with me
In all likelihood I'm up to no good
There is a strong suggestion
Baby without a question
In all likelihood I'm up to no goodI'm only home away from home
I'm only all there when I am gone
I only miss you when I'm with you
I'm only happy when I'm singing a sad, sad, sad, sadOut of love, out of love
Out of love, you know I did it out of love
Out of love, out of love
Out of love, you know I did itI'm only home away from home
I'm only all there when I am gone
I only miss you when I'm with you
I'm only happy when I'm singing a sad, sad songOut of love, out of love
Out of love, you know I did it out of love
Out of love, out of love
Out of love, you know I did it out of love
