

Don't (Radio Edit)

[Rachael Yamagata](#)

I can understand all that you are
I can even take all that your not
I can sympathize with all you want to be
But don't fuck me in front of me I can even scores with the best of them
I can leave my innocence at bay
You can turn your back on my sincerity
But don't fuck me in front of me How could they, they wait
I saw the look you gave her
Breathe in again
May god the world do say you hurt I could say I blame you for everything
Instead I think I'll recognize my part
Needing doesn't hide who I want to be
But don't fuck me in front of me
