

# I'll Come Running

## The Murder City Devils

Ill find a place somewhere in the corner  
Im gonna waste the rest of my days  
Just watching patiently from the window  
Just waiting seasons change, some day  
Oh, ho, my dreams will pull you through that garden gateI want to be the wandering sailor  
Were silhouettes by the light of the moon  
I sit playing solitaire by the window  
Just waiting seasons change, ah, ha  
Youll see, one day, these dreams will pull you through my doorAnd Ill come running to tie your shoe  
Ill come running to tie your shoeIll come running to tie your shoe  
Ill come running to tie your shoe  
Ill come running to tie your shoe  
Ill come running to tie your shoeIll come running to tie your shoe  
Ill come running to tie your shoe  
Ill come running to tie your shoe  
Ill come running to tie your shoeIll come running to tie your shoe  
Ill come running to tie your shoe  
Ill come running to tie your shoe  
Ill come running to tie your shoeIll come running to tie your shoe  
Ill come running to tie your shoe
