

# Auto Neutron

## Fat White Family

Is there life behind the neutral zone?  
I'm talking about neutron, baby  
Man build house and man build car  
Beyond the end of my reach  
To keep him safe and to carry him far  
All at the cultural bar  
Man build shed to keep his tools in  
They're always working the land  
Man build paper to write down rules in  
It's always working me twice as hard  
We are we are auto neutron  
We are we are auto neutron  
Calling my baby I'm at the throne  
There's people out in the streets  
Calling through time to the people of Rome  
is so hard to be  
One is get 'em in down  
Half of those George will be  
The people are ordered gonna burn your shed down  
Radiator o'clock  
We are we are auto neutron auto neutron  
We are we are auto neutron auto neutron  
Are we are we auto neutron auto neutron?  
We are we are auto neutron auto neutron
