

# Stormtrooper in Drag

## Mr. Strange

So here am I quite by chance near the phone,  
I could call and make you crawl into bed,  
Questions always questions I'll just speak in slow motion,  
About obsessions with boys on the floor, Take that smile off your face,  
Wipe that tear from your eye,  
Don't say sorry for me,  
Take that smile off your face,  
Wipe that tear from your eye,  
Don't say sorry for me, Now look at me like a stormtrooper in drag,  
But I'll bet you feel exactly like I do,  
It's not disgusting, I'm so tired of rhythm of you saying it's so,  
I don't want your point of view , Nothing to do,  
Nothing to say,  
And there's nothing to blame,  
Nothing to do,  
Nothing to say,  
And there's nothing to blame, Oh, don't cry,  
Love it, love it,  
I need to, I can always numb what I feel,  
I can always numb what I feel.
