More Than Meets The Eye

Testament

Life in the world untold, question the unknown
This prison captures me, my cell is all I know
I thought I knew it all, stubborn in my ways
My sentence has begun, my future's what I wasteNext chapter of my life filled with violent scenes
I stay awake at night hiding from my dreams
The voices haunting me, driving me insane
Can't seem to get away, they're calling out my nameI feel I am slipping
Are they out to get me?
My life is upside down
More than meets the eyeFor now I am in control, choosing my own fate
And now I sleep at night because I'm not afraid
My demons haunting me, I chased them all away
I've conquered all my fears, my destiny awaitsI'm no longer slipping, I'm not slipping away
No one is out to get me, no one will get in my way
Well, no longer upside down, I've turned my life around
More than meets the eyeMore than, more than
More than, more than meets the eye
