

# Crawl Away

## Tool

Crawled away from me  
Slipped away from me  
Tried to keep a hold  
But there was nothing I could saySlid away from me  
Crept away from me  
Tried to keep you down  
But there was nothin' I could sayWhat you try to say  
Is you don't want to play  
What you want  
And what you need  
Don't mean that much to me  
I can see your back is turning  
If I could I'd stick the knife inCrawled away form me  
Slipped away from me  
Tried to keep a hold  
But there was nothin I could saySlid away from me  
Drift away from me  
Tried to keep you down  
But there was nothin I could sayWhat you tryin to say  
Is you don't want to play  
What you want  
And what you need  
Don't mean that much to me  
I can see your back is turning  
If I could I'd stick the knife inThis is Love  
This is love  
This is my love for you  
This is my love for you  
This is my love for you  
This is my love for you  
This is my love for you  
This is my loveSay you wont go  
Get you in a strangle hold baby  
Can you, can you get away?What you tryin' to say  
Is you don't want to play  
What you want and what you need  
Don't mean a fuck to me  
I can see your back is turning

If I could I'd stick the knife in
