

# Beware

## Big Sean

hook

When you said it was over,  
you shot right through my heart;

why you let these hoes tear what we had right apart;

oooh i was so mad;

i should've seen this coming right from the star;

you should beware, beware, beware,  
of a woman with a broken heart.

praying to a sky all black

looking at the stars like they finna talk back

looking at my phone like she finna call back

but last night i feel like i probably ended all that  
cause by now she would've sent a text in all caps

then another one tryna take it all back

saying fuck you or i miss you or i hate you so much  
cause girls only say "i hate you" to the guys that they love

i know, i know, i know

the highs the lows, it comes it goes

you say" be real"i try,i don't

cause you take anything

and just make it erething

kept my phone on silent ever since you got a ring (funny right?)

and i never cheated,(i mean maybe once, twice)

one time don't change erething

she ask why i don't feel the same, i'm still the same

she'sstill insane now she's saying

hook.

ok skeet, smoke

sleep, call

miss, text

woke, spoke

lie, feel, Lisa ew

time, kill, months, still

I got somebody baby mama calling me daddy

I drank too much, please call me a cabby

Penthouse after party hoes want that addy

Fuck they can ride with us, crawl in a Caddy

Third row is when you call, I hit cancel

Really? I hit answer, fuck I hate when that happens  
Phone in my pocket for the whole night  
And you heard bitches screamin' til my phone dies  
Then she text me like "why you still talk to my mama?"  
How the fuck you run around with condoms?  
Why you make me get this tattoo?  
Man, fuck this tattoo you the reason I wasn't single in college  
What? All because I had you  
Nigga I don't even have you  
How am I suppose to get past you?  
And she called the next guy spillin' some real shit  
Now they problems he got to deal with  
[Hook][Verse 3: Lil Wayne]Girl, don't believe them hoes  
Cause they don't wanna see us together  
And you already know you're too fly  
But baby, don't get your hair caught in the propellers  
I be tryna tell her these hoes is jealous  
You know they never like it when you never say never  
Long hair, red bone, but her pussy is hairless  
Muah, I french kiss it like we in Paris  
I be screaming out, "ain't no woman like the one I got"  
But she be always worrying about the one I fucked  
She said it's gonna be me, myself and I  
Damn, that would make me a one-eyed fuck  
Sch, I was so mad  
Damn, you used to ride a nigga like a moped pad sch--  
But players fuck up, my bad  
And just to keep from crying, I laughed  
hook  
Baby, last time calling me baby,  
last time calling me crazy,  
crazy,crazy x2
