

# In Your Face

## Slapshot

I keep my head in tune with  
My thoughts are always clear  
How can you think straight  
When you've had too much in excess You don't know what that shit does to you  
How can you say that it's safe in small amounts?  
Until it's too late and the damage has been done Straight-edge, in your face  
Straight-edge, in your face  
Straight-edge, in your face  
Straight-edge, in your face Clubs all night is your life  
Drink too much, passing out  
One day you get too much  
Then you go out You are dead and nobody cares about you  
Nobody's learned anything 'cause they all do what you do  
Everybody does it, why shouldn't I? 'Cause it's sick Get your booze away from me  
Keep your pills out of sight  
Don't get smoke in my face  
Or you'll get the straight-edge in your face Straight-edge, in your face  
Straight-edge, in your face  
Straight-edge, in your face  
Straight-edge, in your face I keep my head in tune with  
My thoughts are always clear  
How can you think straight  
When you've had too much in excess You don't know what that shit does to you  
How can you say that it's safe in small amounts?  
Until it's too late and the damage has been done
