Get Loose

The Salads

I Came Into This World
As A Gemini
Be Gettin High In The La
Til The Day That I Die Jah
So Hear The Words That Im Spillin
Crack A Brew Or Two
And Now Ya Know Im Cold Chillin
Youll Never See The D
Sip-Sippin On Some Sirzup
I Skip The Main Course
And Go Straight For The Dizzert
And Now I Wanna Party With You
Cmon Babe Now
Do Watcha DoChorusCome On Everybody
Get Loose Tonight
Throw A Hand In The Air
If Ya Feelin Aiight
We Dont Care If Ya Stare
Cause The Music Is Tight
Lemme Hear You Say YEAH
So We Can Do This RightI Git Busy To Git Dizzy
Like Gillespie
So if Youre With Me
Come On And Hit Me
Just Test Me
You See I Rock Wit The Rhythm
Wit Rhythm I Will Roll
Just A Funny Lookin Kid
Wit A Whole Lotta Soul
And I Like To Get Down
Like The Rest O Yall
Cept I Got A Little Twist
To The Way That I Ball
If Youre Passin Me A Blunt
You Bet Ill Take A Haul
If You Need To Rock A Party
You Can Give Us A Call
Now Come On Everybody
Whos In The Mood

Getcha Groove On
If You Got This Dude
If Ya Belly is Empty
Givin You Attitude
Do Like Jacob Miller
And Eat Some FoodCome On Everybody
Get Loose Tonight
Throw A Hand In The Air
If Ya Feelin Aiight
We Dont Care If Ya Stare
Cause The Music Is Tight
Lemme Hear You Say YEAH
So We Can Do This RightCome On Everybody
Get Loose Tonight
Throw A Hand In The Air
If Ya Feelin Aiight
We Dont Care If Ya Stare
Cause The Music Is Tight
Lemme Hear You Say YEAH
So We Can Do This Right
