This Is The Freedom

Tasha Cobbs

Step into the joy of the Lord x8
Step into the joy of the Lord x8
My heart's been thirsty
And hungry for more
My soul's been waiting
For you to restore me
I've got real joy now
Yes it's real joy
And it's greater than I imaginedMy heart's been thirsty
And hungry for more
My soul's been waiting
For you to restore me
I've got real joy now
Yes it's real joy
And it's greater than I imagined
This is the freedom
This is the freedom I've been waiting for
This is the freedom
This is the freedom of the LordThis is the freedom
This is the freedom I've been waiting for
This is the freedom
This is the freedom of the LordThis is the joy
This is the joy that I've been waiting for
This is the joy
This is the joy of the LordThis is the joy
This is the joy that I've been waiting for
This is the joy
This is the joy of the Lord
Step into the joy of the Lord x8
Step into the joy of the Lord x8This is the freedom
This is the freedom I've been waiting for
This is the freedom
