Memories

You make me feel ashamed
At acting attitudes
Remember ridicule
It should be clear by now
Clear by nowYour words are useless
Full of excuses
False confidence
Someone has used you well
Used you wellI could be wrong
It could be hate
As far as I can see
Clinging desperately
Imagining pretending
No personalityDragging on and on and on and on
And on, on, on, on
I think you're slightly late
Slightly lateThis person's had enough
Of useless memories
Always rememberTwisted amenities
Could be wrongThis person's had enough
Of useless memories
Always remember
They twisted amenitiesOut of order
Out of orderIt could be worse
You losing all the time
I let you stay too long
I could be wrong
Could be wrongIt could be worse
You losing all the time
I let you stay too long
I could be wrong
Could be wrongWhatever past
Could never last
All in your mind
Where it all beganYou're doing wrong
It's not the movies
And you're old
