

You Can Dream of Me

Advisory - the following lyrics contain explicit language:

Well, I've heard it said, "The grass is always greener"
We want what we can't have or so it seems
When I looked at you, the world never looked any sweeter
And I go home to her and see you in my dreams
So if you want someone to fill your wakin' hours
With a love that is real, baby I'm still not free
If you think you could fall for a telephone call and some flowers
If you're dreamin' of someone you can dream of me
When the stars are out, sometimes I still can remember
The clear September night, we first met
Through the fall I never looked at another
Then the winter came how quickly we forget
So if you want someone to fill your wakin' hours
With a love that is real, baby I'm still not free
If you think you could fall for a telephone call and some flowers
If you're dreamin' of someone you can dream of me
Dream of me, I'll be dreamin' of you
I'll never forget how you told me
That your heart was taken too, you said
If you want someone to fill your wakin' hours
With a love that is real, baby I'm still not free
If you think you could fall for a telephone call and some flowers
If you're dreamin' of someone you can dream of me
I'll be dreaming of you babe, you can dream of me
