

# Hey Stupid

Alice Cooper

Hey, hey, hey, hey  
Hey, hey, hey, hey  
Hey stupidHey bro, take it slow  
You ain't livin' in a video  
You're flying low with a high velocity  
No doubt, you're stressin' out  
That ain't what rock 'n' roll's about  
Get off that one way trip down lonely streetNow, I know you've been kicked around  
You ain't alone in this ugly town  
You stick a needle in your arm  
You bite the dust, you buy the farmHey, hey, hey, hey, hey stupid  
What ya tryin' to do?  
Hey, hey, hey, hey, hey stupid  
They win, you lose  
Hey, hey, hey, hey, hey stupidC'mon girl, it's a better day  
Get your foot out of that grave  
Don't let that one love tear your world apart  
C'mon babe, kick that stuff  
But show the street it ain't so tough  
Quit lyin' around with a crippled, broken heartNow, I know you've been seeing red  
Don't put a pistol to your head  
Sometimes your answer's heaven sent  
Your way is so damn permanentHey, hey, hey, hey, hey stupid  
What ya tryin' to do?  
Hey, hey, hey, hey, hey stupid  
They win, you lose  
Hey, hey, hey, hey, hey stupidThis ain't your daddy talkin'  
You know, I know  
Your story ain't so shocking  
You know, I know  
Blow some steam  
C'mon and screamHey, hey, hey, hey, hey stupid  
What ya tryin' to do?  
Hey, hey, hey, hey, hey stupid  
They win, you lose  
Hey, hey, hey, heyHey, hey, hey, hey, hey stupid  
What ya tryin' to do?  
Hey, hey, hey, hey, hey stupid  
They win, you loseHey, hey, hey, hey

Hey, hey, hey, hey  
C'mon man  
What ya tryin' to do? Hey, hey, hey, yeah  
If you do that  
They win, you lose  
Hey, hey, hey, hey, hey stupid
