Someone Got Everything

Penguin Prison

Someone's got everything they need
They got everything they want
They got nothing, they got nothing

Someone's got everything they need
They got everything they want
They got nothing, no, nothing

Someone's got everything they need
They got everything they want
They got nothing, they got nothing

Someone's got everything they need
They got everything they want
They got nothing, no, nothing

Someone's got everything they need
They got everything they want
They got everything they want
They got everything they need

Someone's got everything I want
They got everything I need
They got nothing, they got nothing
