

# Somewhere In the World

**Boney M.**

Time, changer of seasons  
Time will see another flower growing  
Climb over the mountains  
There you'll find warm winds blowing Somewhere in the world there is peace of mind  
Somewhere in the world that's what I must find  
Somewhere in the world there's a place for me in this world I cannot believe it  
Everywhere I see lonely faces  
Why have we no answers?  
Just some more empty places Somewhere in the world there is peace of mind  
Somewhere in the world that's what I must find  
Somewhere in the world there's a place for me in this world Time, changer of seasons  
Time will see another flower growing  
Climb over the mountains  
There you'll find warm winds blowing Somewhere in the world there is peace of mind  
Somewhere in the world that's what I must find  
Somewhere in the world there's a place for me in this world
