

Mission of Love

Travis Tritt

I know you're wonderin' just what I'm doin' 'round here
On a mission of love
I never came down to this side of town
But I'm here on a mission of love 'Cause our little girl is cryin' your name
And I've held her, but she only wants you
And although I hate what you've become
Little tears brought me here on a mission of love I don't know this man hangin' all over you
But I know what he's got on his mind
But if he's got a heart, darlin' he'll let you go
'Cause somebody else needs you tonight 'Cause our little girl is cryin' your name
And I've held her, but she only wants you
And although I hate what you've become
Little tears brought me here on a mission of love
