Sexual Baby

Kut Klose

Everyday I see you I want you more and more
The way you wearing that suit really turns me on, yeah
Your body motions got me staring all the time
Come and fill the desire I have for youOh I can't wait much longer
I not thinking about nothing else but you
All you have to do is come over
Baby, let me show youThe time is right for lovin'
Open up and let me discover
Let our bodies move as one
Boy, you know I'll make you, yeah, veryCome lay your body next to mine
Come keep me nice and warm
Oh let me feel your charm
Sexual babyBaby, you know just what to do
You keep me so turned on
I can't get enough of you
Baby come onCome over here so I can lay you down
Whatever you want, boy, I'll do for you
I can make you do things that you've never done
So hold on tight, baby, don't you runThe time is right for loving
Open up and let me discover
Let our bodies move as one
Boy, you know I'll make you, yeah, babyLay your body next to mine
Come keep me nice and warm
Boy, let me feel your charm
Sexual babyBoy, you know just what to do
You keep me so turned on
I can't enough of you
Sexual babyCome lay your body next to mine
Come keep me nice and warm
Boy, let me feel your charm
Sexual babyBoy, you know just what to do
You keep me so turned on
I can't enough of youTurn me on, turn me on
You really, really turn me on, sexual baby
