

The Magician

Clinic

Back with the living, no youre back on your feet
Back in the house that just, just made you complete
Ooh, ooh, ooh, ooh, ooh, ooh Back now for Easter and youre back here with glee
Oh I, son of mother, oh I
Im the magician for tonight Back with the living, no youre back in your tie
Back for the luncheons and youre back here to dine
Ooh, ooh, ooh, ooh, ooh, ooh Back now for Easter, youre back and youre fine
Oh I, son of mother, oh I
Im the magician for tonight Back with the living, no youre back on your feet
Back in the house that just, just made you complete
Ooh, ooh, ooh, ooh, ooh, ooh Back now for Easter and youre back here with glee
Oh I, son of mother, oh I
Im the magician for tonight
