

Story of my life.

Kristian Leontiou

You say it was like this
I was torn between two worlds
One full of promise
And the truth I knew would hurt
You say I'm no angel
Tryin' to put the past behind So now I try to find
A place to leave all
Memories in my mind We try our lives away
Then stumble into the grave
We cry and still they stay
Past won't go away
Story of my life See I was just thinkin'
Now my life is on the road
The straight and the narrow
On the route that I've been showed
You know its not easy
To try to change your ways So now I try to find
A place to leave all
Memories in my mind We try our lives away
Then stumble to the grave
We cry and still they stay
Past won't go away
Story of my life A place to leave all
Memories in my mind We try our lives away
Then stumble to the grave
We cry and still they stay
Past won't go away
Story of my Try our lives away
We stumble to the grave
We cry and still they stay
The past won't go away
Story of my life
