Therapy Scares Me

Deadstar Assembly

Prescribe the chemical dependency
Make me dependent on your playing god degree
You think you know just what's the remedy
Divest emotions one by oneTherapy scares Me
Don't wanna know me
Therapy Scares me
Don't wanna know me
Therapy Scares me
Don't wanna know me
Therapy Scares meWhat's going on in my head
All those things that should be forgotten
And all those thing that I said
Are coming back to haunt meI know you know I know the Enemy
I don't need you to tell me what's best for me
A cure from this all I really need
Somethings are better left unknownTherapy scares Me
Don't wanna know me
Therapy scares MeWhat's going on in my head
All those things that should be forgotten
And all those thing that I said
Are coming back to haunt meI don't need Therapy [x8]
You don't need Therapy [x3]Therapy scares me
Don't wanna know me
Therapy scares Me
Don't wanna know
