House Arrest

Keeghan Nolan

I can’’t bend my arms and legs please sign my cast or be without me
And I’’ll see the day when you can come to my house and play with me
See you in the morning, can’’t you see I’’m grounded
Underground, go crazy after all because it’’s okay for kids
We all know, just plain and simple, nothing ever goes my way
And I’’ll see the day, and I’’ll kill the day, the day
And I’’ll see the day when you can come to my house and play with me
See you in the morning can’’t you see I’’m grounded
Underground, go crazy after all because it’’s okay for kids
We all know, just plain and simple nothing ever goes my way
