

Alright

Kinnie Starr

Is it alright for me to feel this way?

Put my head in your lap
The world will go away,
Well, well, we can go there
We can go anywhere
We can go there

But is it alright?

Is it alright?

Is it alright

To hold you through the night?

Is it alright for you to feel this way?

Put your head in my lap
The world will go away,
We can go there
We can go anywhere
We can go there

But is it alright?

Is it alright?

Is it alright

To hold you through the night?

You're my knees,
My right to a world more beautiful
You're my knees,
My right to a world more beautiful
You're my knees,
My right to a world more beautiful
I want to hold you

And that's alright

That's alright

That's alright

It's alright

It's alright

It's alright

To hold you here tonight

To hold you here with me tonight,

It's alright

To hold you here with me tonight,

It's alright

To hold you here with me tonight,

It's alright

To hold you here with me tonight,

It's alright

To hold you here with me tonight,

It's alright
