Into The Sun

Sean Lennon

And when the day is done
I will follow you into the sun
And after all my love
I will follow you into the sunAll the tears you cry
Will one day be dry
And like birds we'll fly
Up into the sky
Our love will surviveAnd when the day is done
I will follow you into the sun
And after all my love
I will follow you into the sunAll these days gone by
Just like waves roll by
I can't wait to hold
You inside my arms
Our love will survive
