

# Telecommunication (Re-Recorded / Remastered)

## A Flock of Seagulls

Ultraviolet,  
Radio light  
To your solar system  
On a beam of light. This is telecommunication,  
Telecommunication  
Telecommunication,  
Telecommunication Laser beam  
Coming through the night  
To my T.V. screen,  
To my color eye. This is telecommunication,  
Telecommunication  
Telecommunication,  
Telecommunication Video screen,  
Silver page,  
With a new calibration  
For the nuclear age. This is telecommunication,  
Telecommunication  
Telecommunication,  
Telecommunication This is telecommunication,  
Telecommunication Telecommunication,  
Telecommunication This is telecommunication,  
Telecommunication  
Telecommunication,  
Telecommunication Telecommunication,
