

# Anastasia (feat. Myles Kennedy)

## Slash

Blood red sky on a desert road  
Gotta make my way down to Mexico  
For what I did I know that it was wrong  
The fire in my heart, it will never die  
Everything I love will be left behind  
No turning back, forever gone tonight All my love Anastasia, Anastasia  
This may be our last goodbye  
You can't save me, I am fading  
Blood is on my hands tonight All I need is a miracle  
Lawmen got me running now forever more  
They'll hunt me down until the end of time  
Oh my mama, now I've got to go  
Never love another how I've loved you so  
I'm so afraid to leave this all behind All my love Anastasia, Anastasia  
This may be our last goodbye  
You can't save me, I am fading  
Blood is on my hands tonight All my love Anastasia, Anastasia  
This may be our last goodbye  
You can't save me, I am fading  
Blood is on my hands tonight Anastasia, Anastasia  
For your honor took a life  
You can't save me, I am fading  
Blood is on my hands tonight
