

# Up

## Chomsky

Is a big, big world  
It's easy to get lost in it  
You've always been my girl  
And I'm not ready to call it quits  
We make the sun shine in the moonlight  
We can make the gray clouds turn to blue skies  
I know it's hard, baby, believe me  
That we can't go nowhere but up  
From here, my dear  
Baby, we can go nowhere but up  
Tell me what we got to fear  
We'll take it to the sky, pass the moon to the galaxy  
As long as you're with me, baby, honestly  
With the strength of our love  
We can go nowhere but up  
It's a big, big world  
And I'm gonna show you all of it  
I'm gonna leash you with pearls, oh  
From every ocean that we're swimming in  
We make the sun shine in the moonlight  
We can make the gray clouds turn to blue skies  
Yeah, I know it's hard, baby, believe me, oh  
That we can't go nowhere but up  
From here, my dear  
Baby, we can go nowhere but up  
Tell me what we got to fear, whoa  
We'll take it to the sky, pass the moon to the galaxy  
As long as you're with me, baby, honestly  
With the strength of our love  
We can go nowhere but up  
Nowhere but  
Oh, up, whoa, whoa  
Nowhere but  
Oh, up, whoa, whoa  
Baby, we were underground  
We are on the surface now  
We are gonna make it girl  
I promise  
If you believe in love

And you believe in us  
We can't go nowhere but up  
That we can nowhere but up  
From here, my dear  
Baby, we can go nowhere but up  
Tell me what we got to fear  
We'll take it to the sky, pass the moon to the galaxy  
As long as you're with me, baby, honestly  
With the strength of our love  
We can go nowhere but up  
Nowhere but up  
Nowhere but up  
Whoa, nowhere but  
Up, oh, whoa, whoa  
Yeah, nowhere but  
Up whoa, whoa
