Rev it up  
Let it go  
Don't hold back  
Let it showIt's your team  
Let 'em know  
Put 'em to the test  
Let's see who's the best  
Rev it upEverybody start your engine  
Line 'em up let's put 'em to the test, oh yeah  
Slam the pedal to the floor  
'Cause today we're gonna find out who's the best, oh yes'Cause we've got Earnhardt and Andretti  
Verses Gordon in his Chevy once again, oh yeah  
When Daytonas hot and heavy  
Don't you count out Mr. Kyle Petty, he fights to win till the endOh, rev it up  
Let it go  
Don't hold back  
Let it showIt's your team  
Let 'em know  
Drive it on the edge  
NASCAR pulls ahead  
Rev it upWhen the cup is in Miami  
Oh man, you're sure to feel the heat  
And when Labontes at the Glen  
With those curves that never end, you're on your feet, it's warp speedTalladega, California, Darlington I gotta  
warn ya  
The place is crazed  
And if you think Stone Cold scare ya  
Just try to pass on Mr. Dale Jarrett, to set the pace, oh, what a raceOh, rev it up  
Let it go  
Raise your hands  
Let it showIt's your team  
Let 'em know

Drive it on the edge  
NASCAR pulls ahead  
NASCAR rocksRev it up  
NASCAR rocks
