Devil With The Green Eyes

Matthew Sweet

I can understand you're living in a prison
I know you can only see me as a vision
I might fade away with the coming of a new dawnAnd your heart is breaking
What are you gonna do now
That you're tired of faking it?
What are you gonna do now?
Well, it's hard to take it
When you know what happens each timeThe Devil with the green eyes
Said, you were never meant to be mine
'Cause I came up from a dark world
And every love I've ever know is deadIf you come close enough to see I am inhuman
I will tell you why you're feeling so uncertain
Every word I say, has a way of turning Evil in youAnd your heart is breaking
What are you gonna do now
That you're tired of faking it?
What are you gonna do now?
Well, it's hard to take it
When you know what happens each timeThe Devil with the green eyes
Said, you were never meant to be mine
'Cause I came up from a dark world
And every love I've ever know is deadAnd your heart is breaking
What are you gonna do now
That you're tired of faking it?
What are you gonna do now?
Well, it's hard to take it
When you know what happens each timeThe Devil with the green eyes
Said, you were never meant to be mine
'Cause I came up from a dark world
And every love I've ever known
Every love I've ever known
Every love I've ever know is dead
