Dollar Divided

Snowmine

Oh it's just like you avoiding every word
Oh you cross the street you saw someone you know
And know just what that's like
Oh you could not know it happens every day
Oh you'd stop yourself and pray inside your home
If I mentioned you were not aloneYour dollar's divided
I'm on glorious islands
Presumptuous wanting makes sumptuous wants
You're right on time for the dwindling goose
Whose good time's bad and who's justly obtuse
Avoiding these languages that I may love you
You'll figure out where nothing can choose
To you, so long to use
To you, so long to use
Inverness?
Leaving me tasked without exit
And dangers
The process, by day, now I stay(Oh oh oh)
Oh oh it's like you avoiding every word
Oh you'd stop yourself and pray inside your homeIf I mentioned you were not alone
If I mentioned you were not alone
If I mentioned you were not alone
If I mentioned you were not alone
