

So in Love

[Julie Andrews](#)

Strange dear, but true, dear
When I'm close to you, dear
The stars fill the sky
So in love with you am I Even without you
My arms fold about you
You know, darling, why
So in love with you am I In love with the night mysterious
The night when you first were there
In love with my joy delirious
When I knew that you could care So taunt me and hurt me
Deceive me, desert me
I'm yours 'til I die
So in love
So in love
So in love with you, my love, am I
