

# Hurt

## Nine Inch Nails

I hurt myself today,  
To see if I still feel.  
I focus on the pain.  
The only thing that's real. The needle tears a hole,  
The old familiar sting.  
Try to kill it all away,  
But I remember everything. What have I become,  
My sweetest friend?  
Everyone I know,  
Goes away in the end. You could have it all,  
My empire of dirt.  
I will let you down.  
I will make you hurt. I wear this crown of shit,  
Upon my liar's chair,  
Full of broken thoughts.  
I cannot repair.  
Beneath the stains of time.  
The feelings disappear.  
You are someone else,  
I am still right here. What have I become,  
My sweetest friend?  
Everyone I know,  
Goes away in the end. You could have it all,  
My empire of dirt.  
I will let you down.  
I will make you hurt. If I could start again,  
A million miles away,  
I would keep myself,  
I would find a way.
