Hurt

Nine Inch Nails

I hurt myself today,

To see if I still feel.

I focus on the pain.

The only thing that's real. The needle tears a hole,

The old familiar sting.

Try to kill it all away,

But I remember everything. What have I become,

My sweetest friend?

Everyone I know,

Goes away in the end. You could have it all,

My empire of dirt.

I will let you down.

I will make you hurt.I wear this crown of shit,

Upon my liar's chair,

Full of broken thoughts.

I cannot repair.

Beneath the stains of time.

The feelings disappear.

You are someone else,

I am still right here. What have I become,

My sweetest friend?

Everyone I know,

Goes away in the end. You could have it all,

My empire of dirt.

I will let you down.

I will make you hurt.If I could start again,

A million miles away,

I would keep myself,

I would find a way.
