Over You

Now that i'm older now
i've seen those many ways
i've seen the liars
i've seen the bullshit in my day
i try to keep peace of mind
i just take it day by day
someday the gratitude i will find
will help me see the way

i've seen things grow
i've seen things change
now i know what to do
i'll just take it day by day
i won't cry over you
i've been stepped on
i've been spit on
in each and every way
that won't happen anymore
i've only got one thing to say

i've seen the liars
i've seen the bullshit in my day
i've been stepped on
i've been spit on
in each and every way
if you look just a little closer
i'm hard in my own way
just think hard before you mess with me
or your gonna pay
