

# Mary Go Round

Conor Maynard

I feel the lights fade away,  
you always put me in this place, (no)  
holding on, i cant let go,  
here we go again,  
the dream is over im awake

Dizzy, i cant take it, can we make it stop now?  
Mary, Mary go round,  
Why you play me, then turn me upside down?  
Mary, Let me hit the ground,  
Get me off of ya,  
while you were round and round and round

Am i your lover or your friend? (woah)  
Will the suffer ever end?  
Promises, they lead to tears,  
But i keep coming back,  
Baby, here we go again, again.

Dizzy, i cant take it, can we make it stop now?  
Mary, Mary go round,  
Why you play me, then turn me upside down?  
Mary, Let me hit the ground,  
Get me off of ya,  
while you were round and round

Mary, Mary go round,  
Why you play me, then turn me upside down?  
Mary, Let me hit the ground,  
Get me off of ya,  
while you were round and round and round

Go play with someone else,  
Im getting off this ride right now,  
Someday, your gonna want me back,  
but i wont come back, x2

Not coming back, No !

Mary, Mary go round,

Why you play me, then turn me upside down?

Mary, Let me hit the ground,  
Get me off of ya,  
while you were round and round

Mary, Mary go round,  
Why you play me, then turn me upside down?

Mary, Let me hit the ground,  
Get me off of ya,  
while you were round and round and round.
